Giving small change to make a big one!

THE BATTLE BEGINS OCTOBER 16, 2023!

### Rules:

- Pennies count as one positive point each, but silver coins count AGAINST the classroom. (example: \$0.25 = 25 negative points)
- Paper money can be counted as pennies.
- Students can "bomb" other classroom jars by placing silver coins into them. Class jars will be displayed in the office.
- An update on class points will be given every Friday beginning October 20, 2023. The final count will be on Friday, November 17, 2023.
- Proceeds will go towards a school project that will be voted by the Student Association Officers. 25% of the amount in the classroom jars will go towards their classroom budget.
