

# THE SDA SLICE

Our Kindergarten to 4th Grade students went to the Division of Agriculture at Kagman for a field trip! They were able to take a tour of the nursery, learned about invasive plants, watered the plants, transplanted seedlings, and had a demonstration of the tractor.

## Chapel Takeover

It's all hands on deck as we gear up for the Week of Prayer, an exciting event exclusively for our 7th and 8th Grade superstars.

Our CDC playground is fully equipped with a variety of fun and engaging structures for our students to enjoy.

Our Preschool students move along to the music during their devotional.

Watch out, Einstein! Little Grades 1 and 2 scientists are shaking things up by analyzing soil and testing out metals with a trusty molybdenum magnet.

The Pre-kinder students had so much fun doing activities this week, from planting to learning sounder vowels and discovering force and motion through classroom experiments.

The individuals responsible for the latest student newsletter craze are yet to be identified.

## Announcement

For the safety of all students and staff, we will close the **Entrance** and **Exit** gates from **8:30 am to 3:00 pm**.

Parents/guardians who will drop off their kids late in the morning or pick up early during class hours should enter through the office. We apologize for the inconvenience this may cause especially to some of our CDC parents. Thank you for your understanding.

## REMINDER:

Students are not permitted to go to their cars by themselves, so please pick up your children at the exit gate.
