

# THE SDA SLICE

The Week of Prayer has been an absolute blast! The entire school comes together to celebrate and learn about our mighty creator through the power of prayer. The event is a mashup of groovy tunes, mesmerizing performances, and loads of other fun activities. The cherry on top? Mr. Mercado's showing us out-of-this-world experiments that tie in with prayer.

Well done Kindergarten students for your outstanding performance of the song "When I get to Heaven".

Our 1st and 2nd grade students performed the song "I am thankful" and delivered quite an amazing job.

On the other hand, our 3rd and 4th grade students provided the event singing "Run to the Father" by: Cody Carnes and carried out the song with passion.

Here's our 5th and 6th students performing "We are His hands" giving out a presentation deserving an applause.

Our 7th & 8th Grade students performed the song "Lord I lift Your name on High". And we want to appreciate them for successfully leading out their parts in the Spiritual Emphasis Week. Amazing work you guys!!!!

Meanwhile our toddler students were doing worship time together with their teachers showing a great enthusiasm on their activity.

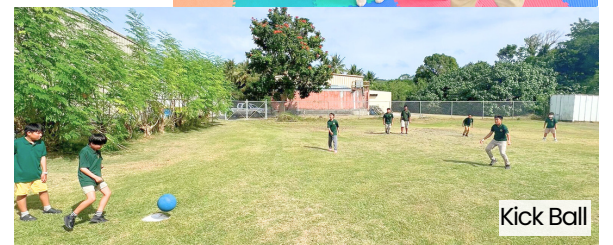

From the Preschool students they also joined in our Spiritual Emphasis Week with the song "Let us come together and praise the name of Jesus" Good job kiddos!

Our Pre-Kinder students had quite a lot of fun as they replanted their mongo bean seeds into the ground. There are quite a few things that they can learn outside their class by simply doing some basic tasks through observation, and hands on activities.

Here are a few pictures taken during Physical Education class with Mr. G. The students are having so much fun as they engage their physical activities through exercise and sports games.

**REMINDER:**  
 To keep our pupils safe and sound, we kindly ask that all parents collect their little ones at the exit gate. We request that students refrain from wandering to their cars unaccompanied.
