

THE SDA SLICE

Mr. Ray Aldan made a presentation on the different types of shells while showing some of his collections during this morning's chapel period. Students listened and looked in with curiosity and awe during the presentation. At the end of his talk, Mr. Ray Aldan asked the students a couple of Bible questions and those who were able to answer got a shell to take home. We want to give our thanks to Mr. Ray Aldan for giving some of his time to share a fun and engaging presentation to our students. More pictures on the third page!
