

# THE SDA SLICE

Our 7th and 8th Grade students had a wonderful experience as they visited and performed music to a senior and a patient last Thursday, March 14, 2024. Apart from this, our students were also able to gain some knowledge on the power of prayer, thanks to the senior citizen firmly telling that “prayer works”. On the other hand, Ms. Olympia, the sister of the patient spoke about how she gave it her all when it came to taking care of her younger brother. Giving her testimony that she is “being trained by the Lord as she looks after her younger brother”. The school and our students would like to give our thanks to Mr. Jonah, Ms. Olympia, and Mr. Oliver for openly sharing their life experiences, providing our students some valuable insights that are useful for their growth.

## Bible Verse

And the King will answer and say to them,  
 ‘Assuredly, I say to you, in as much as you did it to one of the  
 least of these My brethren, you did it to Me.’

**Matthew 25:40**

Our Kindergarten students had so much fun diving into their learning activities this week!

They did a comparison of themselves as babies to now as grown boys and girls. They also learned the measurements of blood for infants, children, and adults by using water and red paint. Finally, they were able to understand how food travels through the body and even made a diagram of the process!

Here are our students from different classes during Physical Education and recess time. The top picture shows the 3rd and 4th Graders play Monkey in the Middle during recess. The middle picture shows Kindergarten students enjoying a game of Animal Run. The bottom picture shows the 1st and 2nd graders playing a game of Bridge Ball. Mr. G has been introducing a variety of games to our students, making their class more fun and exciting.

Here's a picture of a 6th Grader simplifying scientific notation problems.

5th and 6th Graders are playing along with their Boomwhackers.

1st and 2nd Graders are doing Swords Up games tutorial.

7th & 8th grades are practicing their serenades songs.

Here are the CDC Students doing different class activities: From left to right, our toddlers are doing manipulatives (building stuff using blocks and learning how to lace beads); our preschool students are reviewing their calendar (counting how many days in a week and more); Our Pre-Kinder class are coloring their story for this week, "Daniel and His Three Friends."

# REMINDER:

Kindly collect your student at the front gate during the dismissal.

## Dates to Know

March 18 - March 20  
**CDC Parent Teacher Conference**

March 22, Friday  
**End of 3rd Quarter**

March 25, Monday  
**No School  
Commonwealth Covenant Day**

March 26, Tuesday  
**Start of 4th quarter**

March 25, Monday  
**No School  
Good Friday**

## March Birthdays

Taylor Hyerin Aquino	3/7
Jasper Zhu	3/7
Kiien Manuel	3/8
Blake Peter Kileleman	3/10
Ke'alohe Brazzle	3/10
Arvin Chen	3/12
Wuttipat Sukanpong	3/12
Jahryah Tilipao	3/18
Tina Sun	3/21
Emma Leon Guerrero	3/28
Ivan Agulto	3/30

The 3rd and 4th Graders went on a field trip at the CNMI District Court last Wednesday, March 12, 2024, as an enrichment for their Social Studies unit covering government levels and functions.
